Pathology Reports Overview (Filter range from 18-Jul-2016 to 19-Jul-2023)

Important

This view only displays Pathology Reports available in this patient's My Health Record and is not a complete history of all Pathology Reports. This view also does not show Pathology results from other clinical documents, e.g. a discharge summary or event summary.

Please note:

- Pathology Reports shown are those collected within the date range of your software's document list filter;
- if Pathology Reports are not displayed, narrow the date range of the document list filter to the specimen collected date of the report.
